

Lease Agreement

This seasonal lease agreement ("Agreement") for leasing ski and snowboard equipment ("Equipment") is between you, the Lessee, and East Basin Sports Inc d/b/a Boston Ski + Tennis ("Boston Ski + Tennis"). Payment is due at the time of fitting of all Equipment.

The Lessee is responsible for the Equipment and its return. Equipment must be returned no later than this upcoming April 15, unless the due date is explicitly extended to all customers by Boston Ski + Tennis. We reserve the right to start charging late fees at the rate of \$25 per item per month, starting from the final due date. Equipment will be considered lost or stolen if not returned by July 1st.

Boston Ski + Tennis does not charge a deposit for the equipment. A valid credit card, with an expiration date after the following August, must be kept on file to lease equipment. Customers refusing to provide a valid credit card will not be permitted to lease equipment.

Skis, snowboards and all boots will come with damage protection via a required \$5 charge per item leased, paid upon leasing. This will cover normal usage wear and tear plus minor breakage, like a ski boot buckle.

Lost, stolen, or heavily damaged (not repairable within normal course) will be subject to the following replacement fees:

Adult Ski: \$499	Adult Ski Boot: \$399
Adult Snowboard: \$499	Adult Snowboard Boot: \$299
Junior Ski: \$299	Junior Ski Boot: \$199

THIS DOCUMENT IS A LEGALLY BINDING CONTRACT, which supersedes any and all other agreements or representations by or between the parties. This Agreement shall be enforced in and construed, in accordance with the laws of the Commonwealth of Massachusetts.

I have read, understand, and agree to the contents contained in this Agreement. **If this Equipment is to be used by someone other than me, I understand that I remain the Lessee.**
